Dear Marcee R. Senkier:

Thank You for promptly sending in your application for a Maryland Forest Product Operators License for 2025. Enclosed is your 2025 Forest Product Operator License. This card recognizes you as a licensed Forest Products Operator.

Your FPO number is 011727. You will need this number in completing Sediment Control Plans for Forest Harvests. This license also places your name on the 2025 Forest Products Operators List, which is sent out many times over the year to prospective buyers and sellers of forest products, associated equipment, and service providers. In addition, only those operators on the FPO list are sent invitations to bid on timber sales from Maryland State Forests.

If you should have any questions regarding your license or status as a listed operator, please feel free to call me or Tom Bradshaw at 443-365-7524.

Sincerely,

Daniel R. Rider
